

## INTERMEDIATE + SENIOR DESIGNERS:

Bull Stockwell Allen is seeking talented design professionals for our resort, recreation and community projects. This creative individual would demonstrate a passion for good design and superior graphic presentation skills with both hand and computer aided drawings.

The appropriate candidate will also demonstrate the following experience:

- 5 year Bachelor or Masters Degree in Architecture
- Minimum of 6+ years of experience
- Superior presentation skills
- 3-D Modeling and BIM/Revit experience
- Autocad proficient
- Solid client, communication, organization and leadership skills
- Knowledge of mid-rise or high rise development and residential unit plans a plus.

Our people are the key to our success. Dedication to career growth and development, competitive compensation and benefits, and a positive and creative work environment are just a few of the things that make BSA Architects a great place to work.

Please send a cover letter, resume and work samples to:
